SAY	MEAN	MATTER
<p>“Truth is rarely pure and never simple. Modern life would be very tedious if it were either and modern literature a complete impossibility” (8).</p>	<p>When Algy declares this to Jack early in Act I, he is seeking clarification about the inscription in Jack’s cigarette case. The two are lounging in Algy’s well-appointed living room, and consequently eating all of the sandwiches prepared for Aunt Augusta’s visit. The audience is given insight into Algy’s character; he appears to be a man who enjoys the convoluted nature of British society, as he is a member of the upper echelon and can clearly afford to spend his days lounging about, eating sandwiches and practicing the piano. The biting commentary about “modern life . . . [and] literature” hints at both Algy’s disdain for Victorian societal norms and the fiction of the time – and no doubt echoes Wilde’s own opinion about his social and literary contemporaries.</p>	<p>Wilde’s commentary concerning the nature of truth solidifies his major theme of the play, and ironically evokes laughter from the very people he is denigrating. Wilde’s satire is a social critique of what he believed to be an overly stodgy, materialistic, and myopic upper class. In creating two bumbling protagonists, he sheds light on the nature of Victorian society as Algy and Jack are absurd and (at times) despicable figures who mirror both the people and attitude of the time. The significance of Wilde’s statement is multi-faceted; this quote, when analyzed in light of the title of the work, appears as if Wilde is chastising his society for its frustrating lack of honesty and tendency to become overwrought over trivial matters (as exemplified when Jack states that he nearly employed the services of Scotland Yard to retrieve his cigarette case). However, when taken from a different angle, Wilde’s statement can be regarded as a jab at his literary contemporaries, and their works which he feels are, like society, overworked and entirely too untruthful.</p>
